

Moving Oxford Gallery Hunt - Gallery 1

Look for these objects, read their labels carefully, and answer the questions together.

1. Find this item in the Anglo-Saxon case.

Q) What is this object?

Q) How have people in Oxford traveled for thousands of years?

2. Look for the Morris Motors display.

Q) Where would you have found these objects in the past?

3. Look out for this in the Middle Ages case.

Q) What do you think this is?

Q) Before cars and railways, how could you move around the city quickly?

4. Look out for this picture.

This wall stopped people from moving around Cutteslowe.

Q) How would knocking down the wall improve people's lives?

5. Can you find these pots?

They were sold to people using the Roman roads.

Q) Who made these pots?

6. Can you find this?

People in the past may have used them to have fun or travel in cold weather.

Q) What is it?

Bonus Task: Find these extra objects

Q) What do they tell us about Oxford's transport.

Moving Oxford Gallery Hunt - Gallery 2

Look for these objects, read their labels carefully, and answer the questions together.

1. Find this bus in the Foyer.
Place it on the desk to learn more about the bus.

Q) Who is the Brookes Bus for?

2. Find this cart.

The railways transported large goods across the country, but carts and carriages were used to deliver them from the station to your door.

Q) What would this cart have carried?

3. Find this piece of pavement.

It is rough and knobbly.

Q) What is it made of?

Q) How old do you think it is?

5. Can you find this bike?

Q) Is it different from a modern bike?

Q) Why is cycling so good?

6. Look out for this boat.

Q) What was brought to Oxford in the old Canal boats?

Bonus Task: Find these extra objects

Q) What do they tell us about Oxford's transport.
